MEMBERS PERIODIC NEWSLETTER

17th March 2020

CORONAVIRUS

In response to the Government's advice, the last two winter sessions of Indoor Bowling at the Cricket Centre have been cancelled i.e. this week and next, 19th and 26th March.

The results and presentation of prizes will take place at a later appropriate time.

Norton Bowling Club is awaiting further advice and guidance from Bowls England, Norton Sports Charity and from all the Leagues in which we usually play to enable us to circulate a full position statement prior to what was to be this year's opening date. For the present, all Club events are cancelled or postponed. Future arrangements will be notified to you by email and the website www.nortonbowlingclub.com – but these may be some time in coming.

For those Members who play at Thornaby Indoor Bowling Club – all League fixtures are cancelled forthwith but the Club is still open at present for roll- ups.

Thank you to those of you who have already returned this year's registration forms. If you have not – please would you return your completed forms by email to Martin or Jack. Should you be unable to do this – then at least please notify us of your intention to continue your membership and any changes to the contact details we have for you.

Please note - should anyone have any concerns, need some support or are worried and need help – contact Martin through this email address or on **07768 502 311** or our Safeguarding/Welfare Officer, Julie, at nortonbcsafe@gmail.com

Importantly – keep in good health – keep safe – keep in touch.
