CORONAVIRUS – UPDATE

The Pavilion has been mothballed and no one is permitted use of any of Norton Sports Charity's facilities. A diminished number of Grounds Staff are continuing to protect and maintain our assets, so following Bowls England/IOG guidelines the Green may be readied quickly for play soon after the current restrictions are lifted, whether that be this year or next.

Remember - should anyone have any concerns, need some support or are worried and need help – contact Martin through this email address or nortonbowls@supanet.com or our Safeguarding/Welfare Officer, Julie, at nortonbcsafe@gmail.com

Keep in good health – keep safe – keep in touch.
