

IN TOUCH NEWSLETTER

Hello all

May 2022

I hope you are all enjoying the new season and having some success, or at least enjoyment, being back on the green!

The informal rollups on Monday evening and Tuesday afternoon remain popular and are a good opportunity for us to welcome our new members, Joe Maher, Allen Maher, Barry Mehan and John Harbron.

The green was officially opened by Anth Johnson, from Norton Sports Charity at the Whistle Stop competition in April. Well done to the winning pair Colin Lawson and Keith Webster. Congratulations also to our coaches Margaret and Jennifer Parkin on their success in a pairs competition, held at Hundens Bowling Club, Darlington, finishing in the top 4 pairs.

UPCOMING EVENTS FOR YOUR DIARY – full details are on the Club's noticeboards

Sunday 22 May	Dennis Shaw Memorial Shield
Saturday 28 and Sunday 29 May	Big Bowls Weekend
Sunday 5 June	Charlie Rowden Trophy
Monday 6 June	Bowls for Beginners 6 week course

VOLUNTEERS PLEASE

We would be very grateful if members could help our coaches, Margaret and Jennifer, with the Big Bowls weekend and Bowls for Beginners course. Help is needed to set up the green, take visitors details, giving out woods, offering refreshments and having a game of bowls to allow visitors to join in.

ONE WAY SYSTEM

A reminder that all clubs should use the one way system to help avoid accidents. Cars need to enter the site at the Moline Cross and leave by The Tavern exit (this system was introduced when the COVID restrictions were in place).

NORTON FOOD BANK

The Norton Sports Charity are now an official collection point for Norton Food Bank so if you would like to support this worthy cause you can leave items for collection either at the Moline Cross or at the bowling pavilion.

FEEDBACK - If you have any queries or comments that you would like the Committee to consider please speak to me or one of the other Committee members.

Julie Broadbent (Chair)
